## Foreword

N presenting this catalogue of a few numbers from our extensive line of *Miniature Frames and Leather Cases*, we wish to call special attention not only to the purity of design but beauty of finish as well. *The L. H. Cohen Co., Inc.*, has been known more than thirty-six years for correctness and harmony in construction and perfection of workmanship in all branches of metal frame manufacturing.

The period and modern reproductions shown in the following pages, are results of painstaking and artistic research and we feel confident that the trade will find this the most saleable line of high grade *Miniature Frames and Leather Cases* at the minimum prices consistent with *L. H. Cohen Co.* standard of quality.

*A Feature of Our Plating*—We specialize in the various effects of gold to make them harmonize with the different tones of miniatures. It would be of interest to you to get acquainted with our line as we have something of interest for you.
